

Active Ingredients:

Each film-coated tablet contains 300mg of standardised extract (as dry extract) from Milk Thistle fruits (*Silybum marianum* (L.) Gaertner) (equivalent to 7200mg-8100mg of Milk Thistle fruits) corresponding to 174mg of silymarin, calculated as silibinin.

Extraction solvent: Acetone 95% w/v.

Dosage:

For oral use only. Do not exceed the stated dose. For adults and the elderly, take one tablet daily. Tablets should be swallowed whole with water or other liquid.

WARNING: Do not use if you are:

- under 18 years of age
- pregnant or breastfeeding
- allergic to any of the ingredients or to plants of the Asteraceae/Compositae family such as daisies, marigolds or artichokes.

Read the enclosed patient information leaflet carefully before using this product.

You must consult your doctor, pharmacist or qualified healthcare practitioner if:

- your symptoms worsen, if they do not improve after one week
- side effects become serious or you experience side effects not mentioned in the leaflet

Do not use after the expiry date shown below.

EXPIRY: See base of pack
