LAMBERTS®

THE PROFESSIONAL RANGE

NATURAL
Plant Sterols
800mgHelps to maintain normal
blood cholesterol levelsFOOD SUPPLEMENT
60 Tablets**8583-60****DIRECTIONS:** Take one tablet daily with a meal, or as directed by a practitioner or pharmacist. Do not exceed recommended daily dose.

Food supplements should not replace a balanced diet and a healthy lifestyle.

CAUTION: Do not take if pregnant or breast feeding.**INGREDIENTS:** Plant Sterols, Calcium Carbonate, Crosslinked Cellulose Gum, Silicon Dioxide, Magnesium Stearate, Tablet Coating (Hydroxypropyl Methylcellulose, Glycerin). Suitable for vegetarians.**PRODUCT INFORMATION****Typically per tablet:**Plant Sterols 800mg
(providing up to 80%
beta-sitosterols*)** The relative levels of individual sterols are subject to natural variation.*

Plant sterols are naturally present in vegetable oils and grains. Unfortunately, modern diets tend to be low in these important nutrients and hence obtaining optimal levels from the daily diet alone can be very difficult.

Each of our tablets contains a full 800mg of premium quality, natural plant sterols and should not be confused with the cheaper plant sterol esters.
