

**Suggested use:** 1-2 capsules at the start of or with each meal.

Hadley Wood Healthcare's Enzy-110 supplies BioCore® Optimum Complete-I, a broad spectrum plant based enzyme blend for the digestion of fats, proteins and carbohydrates delivered in a delayed release capsule (DRcap®) for targeted release during the normal digestive process.

DRcaps® are made from an innovative hypromellose (HPMC) formulation that can help protect sensitive ingredients from the low pH environment of the stomach.

Do not exceed stated recommendation. Not to be used as a substitute for a varied diet. Store in a cool, dry place out of the reach of children. Do not use if seal is broken. Use within 12 months of opening.
