PRODUCT INFORMATION

Typically per lozenge: %NRV*

Vitamin C	30mg	38
Riboflavin	0.35mg	25
Zinc	2mg	20
Bee Propolis	2.5mg	
Honey	25mg	

*NRV = Nutrient Reference Value

These tasty natural honey and lemon flavoured lozenges dissolve in the mouth to provide a steady release of zinc, vitamin C, riboflavin and bee propolis to the throat membranes.

The zinc and vitamin C are present for their role in the normal function of the immune system and riboflavin since it contributes to the maintenance of normal mucous membranes.
