

Suggested use: 2 capsules daily, best before meals.

Hadley Wood Healthcare's BioDiversity probiotic has been blended using specific human strain microbes spanning a diverse range of species that can be found normally in healthy people. We have selected microbes that are equally suited to both men and women and have ensured that the capsule is designed to safely transport the microbes to the lower gut where they naturally thrive. All the microbes are of food grade standard in accordance with Reg. (EC) No. 178/2002 as well as being GMO free and free of palm oil, solvents, pesticides, heavy metals and any form of irradiation process.

Not to be used as a substitute to a varied diet. Store in a cool, dry place out of the reach of children. Do not use if seal is broken. Use within 12 months of opening.
