

**Product description:** Red Yeast MK-10 is a GMO-free food supplement that delivers 10mg of a key compound known as monacolin-K per serving of 2 capsules. Monocolin-K from red yeast rice contributes to the maintenance of normal blood cholesterol levels. The beneficial effect is obtained with a daily intake of 10mg of monacolin-K from fermented red yeast rice preparations. (Commission Regulation EU 432.2012).

**Instructions:** Take 2 capsules daily with food. Do not exceed 2 capsules per day.

**Cautions:** Do not exceed 2 capsules daily. Do not take if pregnant or breast-feeding. Do not take along side other cholesterol lowering drugs.
