Phosphorus	160.3mg	23	320.6mg	46
Magnesium	82.6mg	22	165.2mg	44
<b>Also provides:</b>				
Sodium	98.3mg	-	196.7mg	-

\*NRV = Nutrient Reference Value

## LAMBERTS PERFORMANCE ENERGY DRINK

This is an energy drink providing complex carbohydrates and Vitamin C in the form of medium chain glucose polymers, as well as short chain molecules.

## DID YOU KNOW?

Vitamin C contributes to normal energy yielding metabolism and helps maintain the normal function of the immune system during and after extreme physical activity. This nutrient may also reduce tiredness and fatigue.
