

Active Ingredients:

Each film-coated tablet contains 450mg of extract (as dry extract) from Devil's Claw root (*Harpagophytum procumbens* D.C. and/or *H.zeyheri* L. Decne, radix) (Equivalent to 1575mg-2250mg Devil's Claw root).

Extraction solvent: Ethanol 60% v/v

Dosage: For oral use only.

For adults and the elderly, take one tablet twice a day (in the morning and in the evening). Tablets should be swallowed whole with water or other liquid.

WARNING: Do not use if:

- you are allergic to Devil's Claw or any of the ingredients
- you have ever had a stomach ulcer or duodenal ulcer
- you are pregnant or breastfeeding
- you are under 18 years of age

Read the enclosed patient information leaflet carefully before using this product.

You must consult your doctor or a qualified healthcare practitioner if:

- your joint pain is accompanied by swelling of the joint, redness or fever
- you have heart problems and want to take this product
- you symptoms worsen or do not improve after 4 weeks

Devil's Claw may make you feel dizzy or sleepy. If affected do not drive or operate machinery.

Do not use after the expiry date shown below.
