

**Product description:** Daily Choice Antioxidants has been blended using 15 specially selected nutrients and food state ingredients including garlic, ginger, sweet cherry, turmeric, grape seed extract and blue green algae. To this base we have added zinc because of its role in the process of cell division and for its contribution to the normal functioning of the immune system along with selenium, manganese, vitamin C and natural vitamin E because of their contribution to the protection of cells from oxidative stress.

**Instructions:** Unless otherwise advised, take up to 2 capsules daily with food, or as directed by a health professional.
